Alameda County Board of Supervisors
1221 Oak Street

President Keith Carson and Board Members Nate Miley, Dave Brown, Richard Valle and David Haubert:

On behalf of the Fremont Chamber of Commerce, I wanted to extend our sincere appreciation to the Alameda County staff for their outreach to the Chamber from the onset of the redistricting process. We believe that every resident should play an active role in reshaping how their communities are going to look for the next decade.

The Chamber Board of Directors and staff have closely followed the redistricting process. After careful consideration, the Fremont Chamber of Commerce supports Visualization C map to ensure a fair and balanced representation of the entire county on the Board of Supervisors. As the second largest city in Alameda County, fair representation on the board is necessary to keep an equitable distribution of funds and resources throughout the entire county. Dual representation in Fremont and the South County ensures a balanced voice on the Board of Supervisors.

We thank you for your consideration for fair and equal representation throughout the county. Should you have any questions, please feel free to call or contact me directly (*via email - redacted*)

Sincerely,

Cindy Bonior
President/CEO
