Hello Alameda County Board of Supervisors,

My name is Candelaria Vargas, Director of Public Affairs for Planned Parenthood Mar Monte.

I am writing to urge the board to consider more community input, open up the opportunity to have other revisions, and bring back the maps for further discussion.

We ask that efforts be made to include members of the community who speak languages other than English, have disabilities, who live in all areas of the county, and that hours of participation are considerate of working families.

Thank you for your time on this very important matter.

Candelaria
